# Key dates in the examination cycle

GCSE November 2022 series

Produced on behalf of:

©JCQ<sup>CIC</sup> 2022

There are key dates for the main examination series of GCSE and GCE AS and A-level qualifications which are common to all the JCQ awarding bodies.

These include dates for access arrangements, entries, submitting centre assessed marks, release of results and final dates for post-result services. Centre staff with teaching and administrative responsibilities will need to be aware of these dates.

Dates appear on timetables and in various awarding body and JCQ documents. However, sometimes a simple date cannot be found quickly when the need arises.

The 'need to know' dates for the GCSE November 2022 series of English Language, Mathematics, Mathematics – Numeracy and Welsh Language examinations are listed on page 3.

**NB** Centres in Northern Ireland entering candidates for CCEA GCSE specifications should consult CCEA administration documents for key dates, timetables and deadlines for submitting centre assessed marks.
